

St Nicholas' CE (VA) Primary School

Learn, Achieve, Grow: Together

Term 1 Christian Value is: Friendship Big Idea is: Skilful

Friday 7th October 22

Issue 3

Goodness me! I don't know where the last two weeks has gone. It feels like only five minutes since I wrote the last newsletter.

It was lovely to see so many of our parents this week and to be able to invite you back into school after 3 years without face to face meetings. The feedback has been overwhelmingly positive. If you were unable to make a parent consultation with your teacher please email the school office to arrange a mutually convenient time to catch up on how your child has settled into the new school year and to ask any questions that you may have.

Deadlines:

Sunday 9th October: Last chance to sign your child up for Flu Vaccine

Wednesday 12th October: Final day to sign up for your child to attend the school disco via the app

Safeguarding:

We now have a separate Safeguarding tab on our school website. Here you will find information about how we keep children safe in school and how we can support our most vulnerable children. Safeguarding also encompasses Online Safety. On our website you will find lots of information to help you as parents learn how you can keep your children safe online.

Curriculum:

This week Mrs Smith and I very much enjoyed our walk around the school to see the Global Explorer curriculum in action. Badgers were busy exploring their out door area, Squirrels were making music with percussion instruments, Hedgehogs were doing football fundamentals, Hares were writing factfiles about Stonehenge, Fox children were creating sequences in Gymnastics and Owls were enjoying learning about the Shang Dynasty. There was an incredible learning hum everywhere that we went and children are becoming more confident at making links in their learning and knowing what helps them to learn.

Please see your child's class page on the website for more info on what they are learning this term.
