

St Nicholas' CE (VA) Primary School

Learn, Achieve, Grow: Together

Term 6 Christian Value is: Thankfulness Big Idea is: Worldly

Friday 21st July 2023

Issue 20

To our wonderful parents,

Thank you for an incredible year with your children. We have loved every minute with them as we have seen their struggles and successes, their laughter, growth and resilience. They have worked so incredibly hard and this was reflected in our incredible SATs results.

It has been a year of big events and big changes between changes in Leadership, an Academy decision and then the big Ofsted visit. Your support, thoughts and prayers throughout for the whole team have been much appreciated and have made all the difference on the tricky days.

We have loved having you all back into school this year for our curriculum talks and open days. The feedback from these was overwhelmingly positive and we have already begun to make plans for the themes of next years talks. More information about this will come out in the Autumn.

For now, all there is left to say is that we wish you an incredible summer. Enjoy the lazy mornings; not having to battle the traffic for the school run; no more lunch boxes to pack or school or PE kits to remember. We wish you a summer filled with love, laughter and fun. We will be ready to welcome you back with open arms on September 4th.

Mrs Lucy Hill

Headteacher

New School Start Time:

We look forward to seeing you from 08:30 on Monday 4th September for the first day of term. The school day will continue to end at 15:10.

Chaplaincy:

We are very excited to say that we have Daniel from the Bridge Project coming to join the team one day a week as our Chaplain in September. He will be here to offer Spiritual and emotional support to any families of staff members who need it as well as working with children on workshops, mentoring and creating a group for our HMF children. We are very excited to have Daniel with us and we will send more information home about how Daniel can help to support families in September.
